Subject: Motion regarding Santa Monica Airport:
Conversion of Santa Monica Airport to a park.
Passed unanimously at Oct. 23 NWNA General Meeting

To whom it may concern:

The North Westdale Neighborhood Association (NWNA) strongly supports turning Santa Monica Airport (SMO) into a great park. Over the past several years, the NWNA has been in support of California State legislation aimed at addressing the critical impacts of air pollution from SMO aircraft operations upon neighboring residents.

Arguably the most impacted neighbor of SMO, the NWNA believes that the replacement of SMO with a great park including lots of open space would not only solve the public health concerns that exist today but would offer very much needed open space to the west-side Los Angeles and Santa Monica area.

The NWNA strongly supports the "Airport to Park" effort and urges the City of Santa Monica, the City of Los Angeles, the County of Los Angeles, California State, and Federal legislatures as well as all appropriate Federal agencies and administrations to work toward that end.

Sincerely,

A handwritten signature in black ink that reads "Martin Rubin". The signature is written in a cursive, slightly slanted style.

Martin Rubin
President, North Westdale Neighborhood Association
